The state board of accounts shall establish rules for the proper accounting and expenditure of funds collected under this subsection.

(c) The officer to whom the application is made shall ascertain the applicant's name, full address, length of residence in the community, whether the applicant's residence is located within the limits of any city or town, the applicant's occupation, place of business or employment, criminal record, if any, and convictions (minor traffic offenses excepted), age, race, sex, nationality, date of birth, citizenship, height, weight, build, color of hair, color of eyes, scars and marks, whether the applicant has previously held an Indiana license to carry a handgun and, if so, the serial number of the license and year issued, whether the applicant's license has ever been suspended or revoked, and if so, the year and reason for the suspension or revocation, and the applicant's reason for desiring a license. The officer to whom the application is made shall conduct an investigation into the applicant's official records and verify thereby the applicant's character and reputation, and shall in addition verify for accuracy the information contained in the application, and shall forward this information together with his recommendation for approval or disapproval and one (1) set of legible and classifiable fingerprints of the applicant to the superintendent.

(d) The superintendent may make whatever further investigation the superintendent deems necessary. Whenever disapproval is recommended, the officer to whom the application is made shall provide the superintendent and the applicant with the officer's complete and specific reasons, in writing, for the recommendation of disapproval.

(e) If it appears to the superintendent that the applicant has a proper reason for carrying a handgun and is of good character and reputation and a proper person to be so licensed, the superintendent shall issue to the applicant a qualified or an unlimited license to carry any handgun lawfully possessed by the applicant. The original license shall be delivered to the licensee. A copy shall be delivered to the officer to whom the application for license was made. A copy shall be retained by the superintendent for at least four (4) years. This license shall be valid for a period of four (4) years from the date of issue. twenty (20) or more years of service, shall be valid for the life of such individuals. However, such lifetime licenses are automatically revoked if the license holder does not remain a proper person.

**(f) At the time a license is issued and delivered to a licensee under subsection (e), the superintendent shall include with the license information concerning handgun safety rules that:**

**(1) neither opposes nor supports an individual's right to bear arms; and**

**(2) is:**

**(A) recommended by a nonprofit educational organization that is dedicated to providing education on safe handling and use of firearms;**

**(B) prepared by the state police department; and**

**(C) approved by the superintendent.**

**The superintendent may not deny a license under this section because the information required under this subsection is unavailable at the time the superintendent would otherwise issue a license. The state police department may accept private donations or grants to defray the cost of printing and mailing the information required under this subsection.**

**(g) A license to carry a handgun shall not be issued to any person who:**

**(1) has been convicted of a felony;**

**(2) is under eighteen (18) years of age;**

**(3) is under twenty-three (23) years of age if the person has been adjudicated a delinquent child for an act that would be a felony if committed by an adult; or**

**(4) has been arrested for a Class A or Class B felony, or any other felony that was committed while armed with a deadly weapon or that involved the use of violence, if a court has found probable cause to believe that the person committed the offense charged.**

**In the case of an arrest under subdivision (4), a license to carry a handgun may be issued to a person who has been acquitted of the specific offense charged or if the charges for the specific offense are dismissed. The superintendent shall prescribe all forms to be used in connection with the administration of this chapter.**

**(h) If the law enforcement agency that charges a fee under subsection (b) is a city or town law enforcement agency, the fee shall be deposited in the law enforcement continuing education fund established under IC 5-2-8-2.**

**(i) If a person who holds a valid license to carry a handgun issued under this chapter:**

(2) changes the person's address;

the person shall, not later than sixty (60) days after the date of the change, notify the superintendent, in writing, of the person's new name or new address.

~~(h)~~ (j) The state police shall indicate on the form for a license to carry a handgun the notification requirements of subsection ~~(h)~~ (i).

SECTION 2. IC 35-47-2-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2001]: Sec. 5. (a) The superintendent may suspend or revoke any license issued under this chapter if he has reasonable grounds to believe that the person's license should be suspended or revoked.

(b) Documented evidence that a person is not a "proper person" to be licensed as defined by IC 35-47-1-7, or is prohibited under section ~~3(f)(4)~~ **3(g)(4)** of this chapter from being issued a license, shall be grounds for immediate suspension or revocation of a license previously issued under this chapter. However, if a license is suspended or revoked based solely on an arrest under section ~~3(f)(4)~~ **3(g)(4)** of this chapter, the license shall be reinstated upon the acquittal of the defendant in that case or upon the dismissal of the charges for the specific offense.

(c) A person who fails to promptly return his license after written notice of suspension or revocation commits a Class A misdemeanor. The observation of a handgun license in the possession of a person whose license has been suspended or revoked constitutes a sufficient basis for the arrest of that person for violation of this subsection.

(d) The superintendent shall establish rules under IC 4-22-2 concerning the procedure for suspending or revoking a person's license.
